

The radio station 100.1 FM, K-LOVE is a vital part of our family's life. We listen to it together on the way to and from school, on the way to and from work, and when we go on vacation. This station lifts our spirits when we are down. It helps me convey good value to my children and grand-children. It also crosses generational lines. Many of my friends and family listen to it for encouragement in every day life.

The effect on the local community if K-LOVE were to be displaced by an LPFM broadcaster providing other programming will be devastating. This is may be the ONLY positive station running in out San Diego County area and it is the ONLY one playing encouraging music that crosses generational lines 24 hours per day.

The service provided by K-LOVE is in the public interest because we have enough bad news, disrspectfull music and depressing talk shows on the radio today!!!! I speak for many in my community and for the congregation of Faith Tabernacle.

Thank you for listening to my comment.
